Using Employers Assets

Some examples of Employers Assets are: telephone, computer, photocopier, boardrooms etc. There have been a couple of incidents in our building where employees have been inappropriately using the employers' assets for personal use during working hours. This also includes using the computer to watch the Olympics. Be mindful of what you are doing.

Provincial Elections

On Wednesday February 18th we had Myles Magner, Region 5 Executive Board Member inform us about the upcoming elections and gave us some things to think about.

Repetitive Strain Injury

[Friday, Feb 28 2014](#) will be the 15th year that workers and allies will gather in Toronto to focus on preventing repetitive strain injuries (RSIs) and mobilizing a defense against the benefits grab in WSIB's proposed policy changes.
